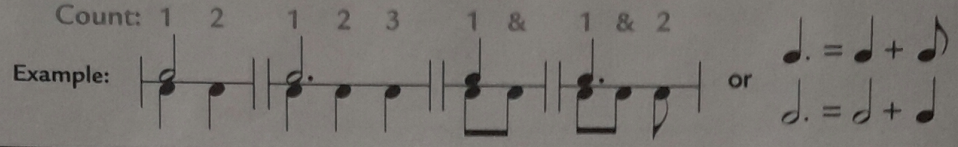
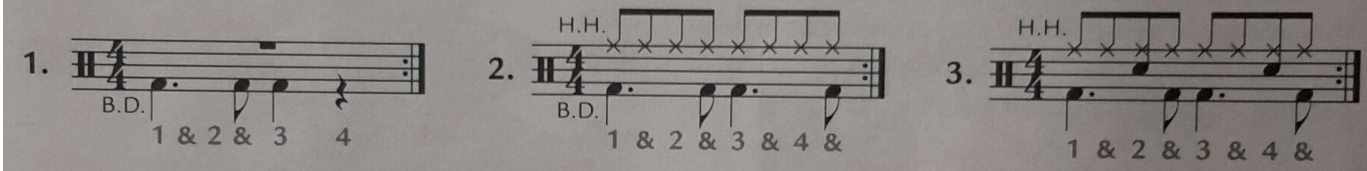
Review: Dotted Notes

A dot (.) placed after a note increases the note's length by one-half the original value.



Practice Warm-up

Practice the following beat patterns until you are comfortable with them.
Start slowly, and gradually increase the tempo. Be sure to count!

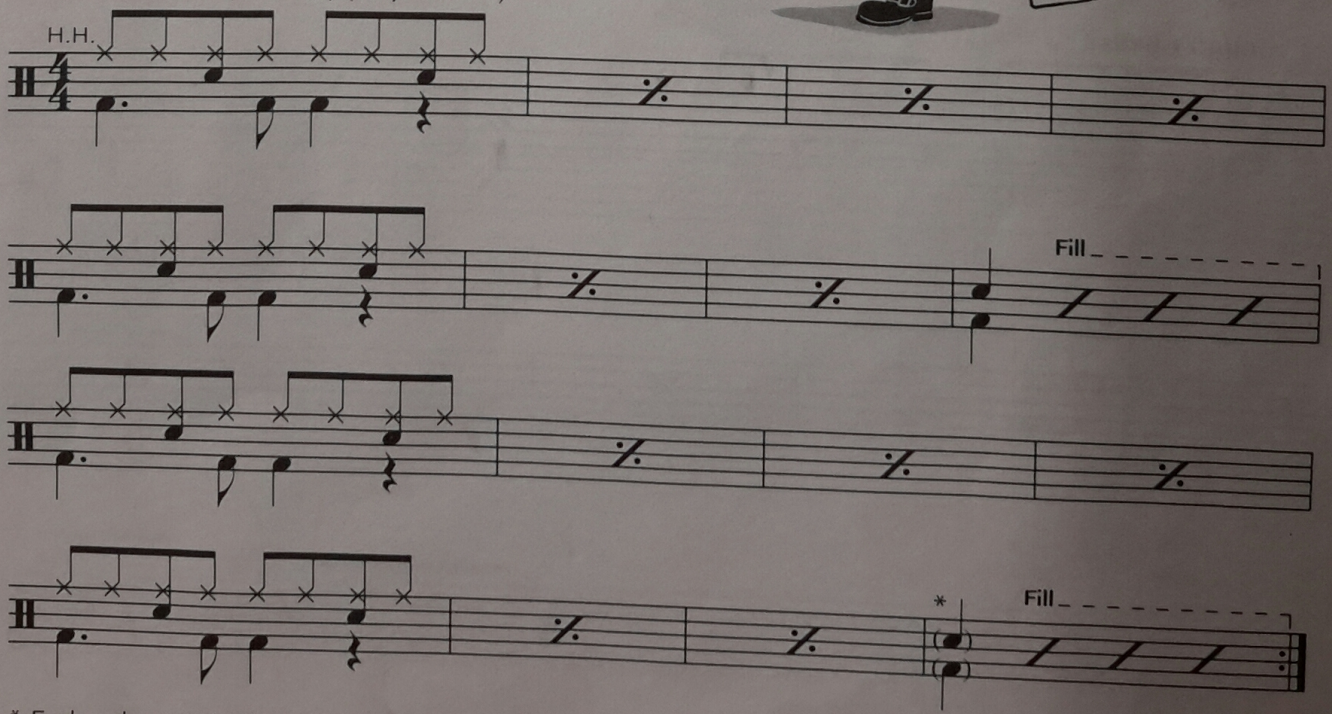


Mozart Rocks!

Track 8

Before playing along with the CD, practice this song alone until you are comfortable with it. Play it four times.

Medium rock (♩ = 112) (Play 4 times)



* End on beat 1 the fourth time through the song.
